

## Criminal Activity Statement

SAF, in cooperation with our host universities and colleges, are committed to maintaining a safe learning environment. As such, we require applicants who have been convicted of a felony, or who have engaged in behavior that results in injury to person(s) or personal property, to disclose this information. A previous conviction does not automatically bar admission to SAF Programs. If you answer "yes", however, you must attach a brief explanation describing the incident(s), including the location of the offense(s) or conviction(s), the date(s), your status at the time of release, and the court deposition (in English). In your own words, provide a description of the impact the incident(s) had on you. The explanation must also grant SAF and your prospective host university/college complete permission to access your criminal record. Additional Information may be requested and additional time required for review.
